TECHNICAL ASSISTANCE IS AVAILABLE TO CHILD CARE PROVIDERS

Technical Assistance is available to providers in the areas of: Licensing Compliance Behavior Issues and Children with Special Needs
The Child Care Resource and Referral Centers of the Maryland Child Care Resource Network are offering Technical Assistance to existing and potential providers (family child care and center based); Head Start programs, nursery schools; cooperatives, drop-in centers and play groups; community and non-profit organizations; community groups, employers, and public agencies committed to expanding child care resources. Technical Assistance includes services related to *licensing and compliance issues, behavioral issues, and children with special needs*. As time permits, the Resource and Referral Centers will also assist with accreditation, credentialing, and start up of new programs. Caregivers needing assistance in their programs, or having question regarding any of these areas, are encourages to contact their local CCR&R for additional information on services and resources available in their particular region. Information is also available at **www.mdchildcare.org**.
See cover page for a listing of Maryland Child Care Resource Networks.
